Description

Imagine approaching every overgrown field, thick patch of weeds, or challenging landscape project with complete confidence. The 2026 STIHL FS 131 Trimmer is engineered to help you feel powerful, focused, and fully in control from the moment you begin. As the high-performance engine delivers smooth, consistent cutting power and the ergonomic handle system guides your movements naturally, difficult trimming tasks become more manageable and rewarding. The reduced vibration and enhanced comfort allow you to stay productive longer, helping you create clean, professional-looking results while experiencing the satisfaction of turning demanding work into accomplished success.
