Description

Imagine stepping into each workday knowing one powerful tool can adapt to almost any task ahead of you. The 2026 STIHL KMA 135 R is designed to help you feel efficient, prepared, and in complete control as you move seamlessly from trimming and edging to pruning and cleanup. As the quiet, high-performance brushless motor responds instantly to your commands and attachments switch effortlessly to match the job, you'll experience a smooth workflow that keeps momentum on your side. With every task completed, you'll enjoy the confidence that comes from working smarter, achieving professional-quality results, and maximizing productivity without compromise.
