Description

Imagine working high above the ground with a chainsaw that feels like a natural extension of your hands. The STIHL MS 194 T 14" is a professional-grade top-handle chainsaw engineered for arborists and tree care professionals who demand precision, balance, and confidence in every cut. Its exceptional power-to-weight ratio, lightweight design, and fuel-efficient STIHL 2-MIX engine help you move through pruning, limbing, and aerial cutting tasks with greater ease and control. Designed to reduce fatigue while maximizing productivity, the MS 194 T delivers smooth cutting performance, low vibration, and responsive handling that keeps you focused on the job. The result is a chainsaw that helps you work efficiently, stay confident in challenging conditions, and achieve clean, professional results with every cut.
