Description

Need a dependable enclosed trailer that works as hard as you do? The Formula 7x16 Conquest with a 7,000 lb GVWR delivers the perfect balance of cargo capacity, durability, and value. Its spacious 16-foot enclosed design provides ample room for equipment, tools, recreational vehicles, or business inventory, while the tandem-axle 7K-rated platform offers confident towing and dependable performance on the road.
Built for versatility, the Conquest features rugged construction, secure enclosed storage, and weather protection to keep your cargo safe in any season. Whether you're a contractor, small business owner, motorsports enthusiast, or weekend adventurer, the Formula 7x16 Conquest is ready to handle the job.
