Description

Built for the jobs that don't let up, the Legend Galvanized Dump Trailer is all about durability where it matters most. Featuring a fully galvanized main frame, box, and rear doors, this trailer is designed to fight off rust and keep working long after others start breaking down. With a 14,000 lb GVWR and over 10,000 lbs of payload capacity, it's ready to handle serious loads without hesitation.

From the 7GA tube main frame and tight crossmember spacing to the 3-stage telescopic hoist with 144" of lift, every part of this trailer is built to perform day in and day out. Whether you're hauling debris, gravel, or equipment, this is the kind of dump trailer you hook up to when the job actually needs to get done.
