Description

New all aluminum car hauler. It is 8.5 feet wide by 24 feet long sitting on tandem torsion spread 5200# axles with brakes on both axles and nice premium wheels, finished inside with white walls and ceiling, fully insulated. We add alpha euro raised disc flooring and front upper and lower cabinets and it has the very popular super escape door so you can get out of your car easily. We add a 30amp power package. The outside is finished in black and it has a front slope nose with the blackout package, and a rear spoiler with loading lights that also work as reverse lights and rear bogie wheels and more ...
