Description

This 2027 PJ Trailers 7 x 16 FT low pro telescopic dump trailer gives you extra deck length for larger loads without stepping up to a heavier trailer. A telescopic hydraulic hoist delivers a 45-degree dump angle for fast, complete unloading, while the 7-gauge steel floor and I-beam frame stand up to gravel, dirt, and demolition debris. 7K axles with EZ lube hubs and radial tires provide dependable towing, and rear stabilizer jacks plus rear pull-out ramps add stability and versatility on the job. A full-size tongue tool box and D-rings keep your gear organized and your loads secure, and the included spring assisted tarp kit keeps material covered on the road. With a 15,400 lb GVWR and 11,120 lbs of payload capacity, this 16-foot dump trailer is priced at \$13,699.
