Description

82X16 N&N 20K BUMPBER PULL dump trailer with hydraulic jack.
We order all off our N&N Torrents (Heavy Duties) with 7 gauge floors, and 12 inch on center cross members and D rings on the side,11 gauge and 16 inch are standard. Come see the Thumb Trailer difference. Why buy a cheaper painted or powder coated trailer when our galvanized N&N's will last for years with zero maintance. Compare our best in the industry N&N's to other competitors dump trailers and see why we sell these all over the midwest. All of our Torrent trailers have tarp and cover, rear stabilzer stands, undermount ramps, wireless remote and upgraded back up lights included.
The only option is a galvanized spare tire.
