Description

? 2027 RawMaxx 24' x 102" 20K Gooseneck Tilt Trailer for Sale in Kansas | 20,000 lb GVWR | Drive-Over Fenders

Looking for a 20,000 lb tilt trailer for sale in Kansas? This 2027 RawMaxx 24' x 102" Gooseneck Gravity Tilt Trailer is built for serious equipment hauling. With dual 10,000 lb torsion axles, a heavy-duty 8" I-beam frame, a 16' tilting deck, 10' stationary deck, and drive-over diamond plate fenders, this trailer is designed for contractors, farmers, ranchers, equipment operators, and commercial businesses.

The 102" wide deck provides plenty of room for skid steers, excavators, tractors, vehicles, and other heavy equipment. The gravity tilt system and 11-degree tilt angle make loading equipment easier, while the drive-over fenders allow you to position wider equipment over the fenders when needed.

Available now at Trailer Solutions LLC in Garden City, Kansas, serving customers throughout Western Kansas, Kansas, Colorado, and surrounding areas.

? Why Buy This 2027 RawMaxx 20K Tilt Trailer?

The 2027 RawMaxx 24' x 102" 20K Gooseneck Tilt Trailer is designed for customers who need more capacity and more deck space than a standard equipment trailer.

With a 20,000 lb GVWR and 14,690 lb payload capacity, this trailer provides serious hauling capability. The 102" wide deck gives you additional room for larger equipment, while the 3/16" drive-over diamond plate fenders provide extra versatility when loading wide machinery.

The combination of an 8" I-beam frame, dual 10,000 lb torsion axles, 16' gravity tilt deck, 8' stationary deck, heavy-duty tires, and gooseneck design makes this an excellent choice for professional equipment operators and commercial users.

Whether you're hauling a skid steer to a construction site, moving an excavator, transporting a tractor, or hauling vehicles and other heavy equipment, this RawMaxx 20K tilt trailer is built to handle the job.
