Price: \$7,295.00

Description

2027 Sure-Trac 7x16 Aluminum Tube Top Utility Trailer (Tandem Axle / 7K GVWR)

Massive 5,450 LB Payload, Upgraded Aluminum Bi-Fold Ramp Gate, & Front-Mounted Aluminum Toolbox

The 2027 Sure-Trac 7x16 Aluminum Tube Top Utility Trailer combines maximum payload capacity, zero-rust durability, and premium jobsite functionality. By utilizing an all-aluminum frame construction, this trailer weighs only 1,550 lbs empty—yielding an impressive 5,450 lb. net payload capacity while completely eliminating rust and paint chipping.

Equipped with an upgraded heavy-duty aluminum bi-fold ramp gate and a factory-installed front-mounted aluminum A-frame toolbox, this 16-foot platform is built to haul commercial zero-turn mowers, UTVs, skid steer attachments, or construction supplies.

Key Capacities & Dimensions

- GVWR: 7,000 lbs (Tandem Axle Class)
- Curb Weight: 1,550 lbs
- Net Payload Capacity: 5,450 lbs
- Bed Dimensions: 81.5" Clear Deck Width (Between Fenders) x 192" Length (7' x 16')
- Overall Footprint: 249" Overall Length / 18" Deck Height / 16" Coupler Height
- Ramp System: Upgraded Heavy-Duty Aluminum Bi-Fold Ramp Gate

- Storage: Factory-Installed Front A-Frame Lockable Aluminum Toolbox
-

Technical Specifications

Feature Specification

Main Frame 3" x 2" x 3/16" Heavy-Duty Aluminum Angle Chassis
Top Rail & Uprights 2" x 2" Aluminum Tube Top Rail with 2.5" x 1.25" Tube Uprights
Crossmembers 3" Structural Aluminum Channel
Tongue 4" x 2" Structural Aluminum Tube A-Frame
Decking 2" Pressure-Treated Pine Decking
Toolbox Front A-Frame Mounted Lockable Aluminum Storage Box
Running Gear (2) 3,500 lb. Leaf Spring Axles with Electric Brakes on BOTH Axles
Wheels & Tires ST205/75R15C 6-PLY Radial Tires / 15" 5-Lug Aluminum Wheels
Fenders Teardrop Smooth Aluminum Fenders
Ramp Gate Upgraded HD Aluminum Bi-Fold Ramp Gate (2,200 lb. Load Rating)
Coupler / Jack 2-5/16" A-Frame Ball Coupler / Setback 2,000 lb. Zinc-Plated Jack
Cargo Accessories Side-Mounted Spare Tire Carrier & Perimeter Stake Pockets
Electrical / Lights 7-Way RV-Style Round Plug / Full DOT-Compliant LED Lighting Package
Finish Natural Bare Aluminum (Rust & Corrosion Resistant)

Core Performance & Design Highlights

1. Upgraded Heavy-Duty Aluminum Bi-Fold Ramp Gate

Replaces standard full-height gates with a folding aluminum bi-fold ramp. The bi-fold design collapses in half during transport, drastically cutting down on highway wind drag to boost tow-vehicle fuel efficiency. It also requires less rear swing clearance when unfolding on tight residential driveways or crowded jobsites.

2. Factory-Installed Front Aluminum A-Frame Toolbox

Keep your towing gear safe, clean, and organized. Mounted securely on the A-frame tongue, this weather-resistant aluminum toolbox provides lockable storage for tie-down straps, chains, hitch balls, wheel chocks, and hand tools without sacrificing any usable deck space.

3. Massive 5,450 LB Payload & Zero-Rust Construction

Because structural aluminum weighs significantly less than steel, you gain nearly three tons of usable payload capacity on a 7,000 lb. GVWR chassis. The all-aluminum framework will never rust, rot, or require touch-up paint, maintaining its professional appearance and high resale value for years.

4. Heavy Tubular Aluminum Framework & Premium Wheels

Built with a 2" x 2" aluminum tube top rail and 2.5" x 1.25" tube uprights welded to a 3" aluminum channel subframe. Rides on upgraded 15" 5-lug aluminum wheels with electric brakes on both axles and a full breakaway safety battery system.

5. Commercial Jobsite Infrastructure

- Setback Jack: Positioned safely behind the coupler on the A-frame tongue, allowing you to drop your truck's tailgate completely without striking the jack handle.
 - Versatile Tie-Downs: Built-in side stake pockets and a side-mounted spare tire carrier provide reliable cargo management right off the yard.
-

Pricing & Yard Terms

- Price: Cash/Check Price Listed. Financing Available!
 - Processing Fees: A 3% processing fee applies to credit card transactions.
 - Dealer Fees: \$0. We charge zero documentation, prep, or administrative fees.
 - Documentation: Temporary license plate/transit registration included with purchase for immediate road use.
