Price: \$10,999.00

Description

USED TRAILER - SOLD AS IS - NO WARRANTY

2025 B & B Fabrication LLC by Custom Trailers.

Trailer was original built as a Direction Boring Trailer, so it still has some of the features intact if you wanted to set it back up as a boring trailer.

If you want to use it as a standard equipment trailer, that can also be done as well with a little modification. The open hole in the front of the trailer can be covered by having a plate welded over it. The side mount plate on the passenger side would need to be cut off.

General Trailer Specs:

GVWR: 25,900

Dry Weight: 6,500

Payload Capacity: 19,400

12K Torsion Axles
