Description

Pace American 7' x 14' Outback DLX Enclosed Cargo Trailer

Versatile and built for dependable everyday hauling, this Pace American 7' x 14' Outback DLX enclosed cargo trailer is a great choice for contractors, landscapers, homeowners, and powersports enthusiasts. Finished in White with aluminum wheels, the flat-top/sloped V-nose design provides a clean, professional appearance.

Tandem 3,500 lb axles provide a solid foundation for hauling motorcycles, ATVs, lawn equipment, tools, and general cargo. The trailer features .024" exterior side metal along with 16" on-center construction for added strength and durability.

The rear ramp door with a 12" extension provides a smoother loading transition for wheeled equipment, while the 32" side door offers convenient access without having to lower the rear ramp. A standard 78" interior height provides plenty of usable cargo space, and an LED interior light helps keep the trailer illuminated when working inside.
