Price: $14,699.00

MSRP: $19,199.00

Description

The 2027 Valley Stock is a bumper-pull steel livestock trailer built in Leesburg, Ohio, where Valley has been making stock and horse trailers since 1981. It is the everyday trailer for hauling cattle, hogs and sheep to the sale barn or between pastures, with a swing/slide rear door, a centre gate and an escape door so you can work animals safely. Pressure-treated flooring over steel crossmembers takes the abuse livestock hauling puts on a floor.
• With tandem axles (2x3,500-lb up to 2x6,000-lb) and electric brakes

• All-steel tubular frame with slatted sides for flow-through ventilation
• 2" pressure-treated floor
• Swing or slide rear door; center divider gate standard on 14'+ models
• 2-5/16" coupler with spare wheel/tire included
• Electric breakaway brakes with battery

Please give us a call for details and current trailer availability. Descriptions are subject to possible errors, so we recommend calling to verify all information.
