Description

We may be biased, but we love the outdoors and these are some of the nicest hunting blinds on the market. Insulated construction, double-pane windows, and an airtight design to help minimize scent exposure. With true 360° archery/gun shooting capability, they provide exceptional visibility and efficiency for those long sits this fall.
We currently have (4) NXT GEN Deluxe model 6’ Wide 2-Person Blinds in stock and ready for immediate pickup!
