Price: \$4,800.00

MSRP: \$5,500.00

Description

The Nexhaul Magnum Series Trailer is a compact yet powerful hauling solution built for efficiency and durability. With a single 3,500LB 4" drop idler axle, EZ Lube hubs, and a curb weight of just 1,370LBS, it delivers smooth handling and easy towing. The primed and painted frame is reinforced with a 16" aluminum tread plate stone guard and .024 gauge screwed exterior aluminum, ensuring strength and longevity. Its interior offers a 72" height, 3/8" wood walls, and 3/4" wood flooring, providing a reliable and spacious cargo area. The one-piece aluminum roof with high-tech sealant, 24" roof bows, and plastic side flow vents deliver excellent weather protection and ventilation. Loading and unloading are seamless with the rear ramp door, 32" x 66" side door with bar lock, and aerodynamic V-nose with tread plate. Additional features like DOT-approved exterior lighting, a 4-way flat electrical plug, radial tires, aluminum tread plate fenders, a 2,000LB manual tongue jack, and a 2" coupler with safety chains make this trailer a durable and versatile choice for everyday tasks.
