Description

Finished in silver, this 2027 Homesteader Intrepid 7 x 16 ft cargo trailer pairs a polycore exterior skin with 16-inch on-center floor and wall framing for a durable, well-supported build. Dexter axles with brakes on both provide dependable towing, and the rear ramp door pairs with a side door for flexible access. A 3/4-inch plywood floor and 3/8-inch plywood walls create a solid interior, while LED interior lights and an LED rear loading and porch light keep things visible after dark. The V-nose design improves towing efficiency, and the one-piece roof helps prevent leaks at the seams. With 7 ft of interior height and a 9,950 lb GVWR, this Homesteader Intrepid cargo trailer is priced at $8,999.
