Overview

The BEAST Dual Telescopic Dump trailer by CAM Superline® redefines durability in the dump trailer category. Outfitted with dual telescopic hoist cylinders, this trailer achieves a superior dump angle and lifting power for large or dense loads. The combination of a 7-gauge floor, structural channel crossmembers, and a reinforced tube frame makes it a true workhorse ready for punishing conditions.

Available Models

The BEAST is offered in multiple configurations: 12', 14', and 16' bed lengths with GVWRs from 12K to 16K. Gooseneck versions rated at 15.4K and 17.6K GVWR are also available for those requiring greater hauling control. Each model features the same 82" interior bed width and robust 24" side walls to maximize capacity.

Standard Features

This trailer comes equipped with a full range of professional-grade standard features, including slipper spring suspension, tread plate fenders, sealed wiring harness, LED lighting, a 12K bolt-on drop leg jack, and a triple-acting tailgate with chains. The deck height is a low 29", supported by heavy-duty greased or oil-bath axles depending on the model. Each unit includes a Zip® Breakaway system, mesh tarp kit, a remote-control-operated hoist, and a spare tire mount for added convenience.

Options

Upgrade your BEAST trailer with a variety of high-performance options. Choose between 15.4K and 17.6K gooseneck models for increased payload control. Add a 48K pintle hook for fleet integration, a hydraulic jack for faster hookup, or mud flaps to protect against road debris. You can also equip a pallet fork carrier for enhanced jobsite versatility.

Contact us for an exact out the door total.

We offer 100% secure financing with approved credit at Trailer Corner - We also will accept all major credit/debit cards, and we charge a 3% processing charge on all credit card payments. We can issue PA tags to instate buyers and can issue transit tags to our out-of-state buyers. Please contact us with any questions.

Not quite what you are looking for? We have a great variety of trailers in stock, and new inventory arriving daily. We also have access to hundreds of enclosed trailers built and ready to purchase.
