Description

SR 210 wireless Salt spreader that goes in the receiver of your trailer hitch comes with a low speed and high speed remote and it plugs into your 7 pin trailer connection.
Cut the cord, not the performance. The SnowEx® Wireless Utility tailgate spreader gives you immediate, untethered command over your salt delivery—no wires necessary. Designed to handle bagged rock salt with its 3.0 cu ft capacity, this plug-and-play poly unit offers rock-solid performance for fast-paced commercial applications. Featuring a vertical high-flow auger and patented spinner motor, you get serious spreading power with simple installation and wireless control.
Compatible with UTVs, Trucks & Tractors.
