Description

This is the perfect contractor trailer. This is a Stealth 7 feet wide 14 feet long plus the v-nose sitting on tandem 3500# axles with brakes on both axles the outside is polycor a very durable siding it has a great lumber rack system with a ladder in the front so you can get up there and there is a cat walk path front to back and the rack has a roller for easy loading the roof is composite translucent so it is nice and bright inside there is a 110 power outlet inside. The rear double doors have removable ramps so you have the best of both worlds and a 12 inch extend tongue this is a great trailer for the contractor
