Sales Price: \$4,499.00

Description

Looking for a shorter, easier-to-manuever utility trailer that still hauls serious weight? This 2027 Liberty 7' x 14' trailer in Black pairs a tube rail frame with an HD spring assist ramp gate, so loading a mower, side-by-side, or pallet of materials is a one-person job. Dual 3,500 lb axles run on EZ lube hubs with electric brakes on both axles for confident stopping power, and the 2 5/16" adjustable coupler and sealed wiring harness are built to hold up to daily use. LED lights keep the trailer visible after dark, and an onboard tire mount carries a spare wherever you go. Backed by a 7,000 lb GVWR and 5,150 lbs of payload capacity, this Liberty utility trailer is priced at \$4,499.
