Description

This 2027 Liberty 7' x 16' utility trailer in Black is a heavy-duty hauler built for equipment, ATVs, and general-purpose loads. A tube top rail frame keeps the sides open for easy loading from any angle, while the HD spring assist ramp gate lets you load and unload without wrestling with dead weight. Dual 3,500 lb axles with electric brakes on both axles and EZ lube hubs make towing and maintenance straightforward, and the 2 5/16" adjustable coupler and sealed wiring harness add durability where it counts. LED lighting keeps you visible on the road, and a tire mount keeps a spare within reach. With a 7,000 lb GVWR and 5,100 lbs of payload capacity, this Liberty utility trailer is priced at \$4,699.
