Description

This 2027 Liberty 83 in x 20 ft steel frame car hauler is set up with an 18 ft deck and a 2 ft dovetail to make vehicle loading easy without a harsh transition angle. A powder-coated frame resists corrosion, and the wood deck offers dependable traction for vehicles or wheeled equipment. Removable diamond plate fenders protect against road debris while staying easy to swap out if needed, and pull-out ramps keep loading simple.

Dual 5,200 lb Dexter axles with electric brakes on both axles and 6-lug wheels provide serious stopping power for a fully loaded trailer, and a locking tongue toolbox keeps tie-downs secure and organized. A 7K tongue jack, sealed wiring harness, and 2 5/16-inch adjustable coupler complete a well-built car hauler, and LED lighting keeps it visible on the road. With a 9,990 lb GVWR, this Liberty car hauler in Black is priced at \$5,599.
