Break-Away Kit

Complete Breakaway System with Breakaway Cable

Construction

Heavy-Duty Steel Construction

Overall Construction

Compact and heavy-duty 5' x 10' tandem-axle dump trailer designed for landscaping, construction, property maintenance, debris removal and equipment hauling. The DCB6010-2AXLE combines a 7,000 lb GVWR with tandem 3,500 lb axles, a 10-gauge steel floor, 20" 12-gauge steel sides, power up/power down hydraulics and double rear barn doors. Slide-in equipment ramps and four integrated D-rings allow the trailer to handle compact equipment in addition to dirt, gravel, mulch, demolition debris and general cargo.
