Journey® SE Cargo Trailer

The Journey® SE Cargo Trailer delivers strength, reliability, and professional style for any enclosed hauling job. With a screwless bonded exterior, radial tires, and high-performance wood construction, this enclosed cargo trailer is built to perform in demanding conditions with lasting value.

You need a trailer that can handle the demands of your work and adventures. Pace American trailers are built for long-term performance, giving you the confidence to haul whatever, wherever.

Key Benefits

Radial Tires with Steel Wheels

Offers better road contact, longer tread life, and improved towing performance. Flow-Thru Sidewall Vents

Promotes air circulation to help manage interior temperature and reduce moisture buildup. Screwless, VHB Bonded Exterior

Delivers a smooth, clean look while reducing water intrusion and enhancing structural integrity. High-Performance Wood Walls and Floors

Built tough to support heavy cargo and daily use, with superior resistance to impact and wear.

Why Choose a New Journey® SE Cargo Trailer?

Overview

The Journey® SE Cargo Trailer is designed for serious haulers who demand uncompromising performance. Whether you're transporting tools, equipment, or personal gear, this enclosed trailer is engineered to offer the rugged dependability you need with the professional finish you want. With a wide range of sizes and GVWR ratings, the Journey® SE is versatile enough to tackle nearly any hauling task. Interior Features

Inside every Journey® SE cargo trailer, you'll find high-performance wood walls and flooring built for resilience. The clean, open interior layout makes it easy to secure and organize cargo, while integrated features like LED dome lighting improve function and visibility. Each unit is ready to be customized with optional shelving, E-track, or ramp upgrades to fit your specific needs. Exterior Features

The exterior of this enclosed cargo trailer showcases a clean screwless finish, bonded with VHB tape for added strength and moisture protection. Chrome or aluminum accents on select models add a professional touch, while standard features like a 24" stoneguard and flow-thru vents

enhance both protection and ventilation. The trailer rides on radial tires for smoother towing and longer-lasting performance. Built for Every Haul

Available in a range of single and tandem axle configurations, the Journey® SE Cargo Trailer comes in sizes from 5' wide compact models to 8.5' wide heavy-duty options in both sloped v-nose and round front profiles. Whether you're a contractor looking for a rugged mobile workspace or a motorsport enthusiast hauling gear, there's a Journey® SE built to match your needs. With premium construction and standard features that exceed expectations, this is the enclosed cargo trailer you can rely on.
