Description

The Bobcat Registered ZT2000 offers you more commercial-grade features than other zero-turn mowers in the same price range. It's the perfect Bobcat zero-turn mower for people who want durability and a professional cut at a lower cost.

Power and performance are at your command to get the cut you always wanted, with superior cutting-deck airflow and discharge, deck height adjustments that can be made on the fly and smooth operation all day long.
The ZT2000 features ergonomic controls, a Kawasaki Registered FR series engine, productive cutting speeds up to 7 mph, the TufDeckâ?¢ cutting system.
