Price: \$3,495.00

MSRP: \$3,613.00

Description

Versatility Perfected: 2026 Sure-Trac 7x14 Single Axle Tube Top ATV Utility

The Sure-Trac 7x14 Tube Top ATV is the gold standard for recreational hauling. Designed specifically for the multi-vehicle owner, this trailer combines a massive 14-foot deck with 3-way loading access. It's the perfect balance of weight and capability, providing enough space for multiple ATVs or a full-sized UTV without requiring a heavy-duty tow vehicle.

By keeping the GVWR at 2,990 lbs, this trailer is easy to tow, easy to maneuver, and ideal for weekend warriors who want a premium, no-compromise hauling solution.

The ATV Advantage: Load Any Way, Every Time

- **5' Fabricated Steel Side Ramps:** Don't waste deck space. The side-loading ramps allow you to drive an ATV on sideways at the front, leaving the entire rear of the 14-foot deck open for a second machine or gear.
- **Fold-Flat HD Ramp Gate:** The rear features a heavy-duty spring-assist gate. It makes loading from the back effortless and can fold completely flat onto the deck to reduce wind drag and improve fuel economy when towing empty.
- **The Tube Top Build:** While others use flimsy angle iron, Sure-Trac uses a 2" x 2" square steel tube top rail. This provides a rigid, fully welded skeleton that prevents the frame from twisting and keeps your wiring protected inside the steel.
- **Signature "Set-Back" Jack:** The 2K jack is positioned further back on the tongue, allowing you to fully drop your truck's tailgate while hitched—no more expensive tailgate dings.

Technical Specifications

GVWR 2,990 lbs
Curb Weight 1,450 lbs
Net Payload 1,540 lbs
Axle 3,500 lb. Spring Idler
Bed Dimensions 7' Wide x 14' Long
Side Ramps (2) 5' Fabricated Steel (Side Storing)
Top Rail 2" x 2" Square Steel Tube
Tires ST205/75R15C 6-PLY Radials

Standard Professional Features

- Self-Retained Gate Pins: Integrated pins that stay with the trailer—no more losing hardware in the dirt at the trailhead.
 - Treated Decking: 2" pressure-treated pine with board retainers for long-term durability against the elements.
 - Industrial Grade Polymer Finish: A high-gloss, multi-stage finish designed to resist the wear of off-road equipment and NJ road salt.
 - Full LED Lighting: Sealed, DOT-compliant LEDs for maximum reliability and visibility.
 - Stake Pockets: Strategically placed for additional tie-down points or custom side extensions.
-

Purchase Information

- Ready for the Trail: We include a temporary license plate with every purchase for immediate road use.
 - Transparent Pricing: The listed price reflects a Cash/Check discount.
 - o Credit Card: 3% processing fee.
 - Taxes: NJ residents pay 6.625% sales tax. Out-of-state buyers pay their local tax at the time of registration.
