Description

Sure-Trac 7x18 Tube Top Utility Trailer (7K GVWR) – The Flagship of Hauling

Looking for the most reliable utility trailer in North Jersey? Roxbury Trailers in Wharton, NJ, has the Sure-Trac 7x18 Tube Top Utility in stock. This isn't your standard angle-iron trailer; it's the industry's flagship model, built for professionals who need lasting performance.

Why the "Tube Top" Matters

Most utility trailers use flimsy angle iron for the top rail. Sure-Trac uses 2" x 2" structural steel tubing, full-seam welded to the uprights. This creates a "box frame" effect that prevents twisting and provides unmatched rigidity—whether you're hauling zero-turns for a landscaping business or loading up the side-by-sides for a weekend trip.

Quick Specifications

Dimensions 7' Wide x 18' Long

GVWR 7,000 lbs

Payload Capacity 4,800 lbs

Axles (2) 3,500 lb Spring Axles with Brakes

Gate 4' Fold-Flat HD Reinforced Spring Assist

Lighting Full LED, DOT Compliant

Key Professional Features

- **Heavy-Duty Ramp Gate:** The reinforced "ladder style" gate features a spring assist, making it easy to lift with one hand. It also folds flat onto the deck to reduce wind drag when towing empty.

- **Built to Last:** Features an industrial-grade polymer finish and pressure-treated 2 x 6 decking with board retainers to prevent warping.
 - **Smart Design:** Includes a set-back 2K jack (to prevent tailgate interference), stake pockets for easy tie-downs, and a recessed lockable toolbox space.
 - **Towing Stability:** The tandem axle configuration ensures superior weight distribution and smoother handling at highway speeds.
-

Perfect For:

- **Landscaping Professionals:** Fits multiple commercial mowers, blowers, and tools with ease.
 - **Power Sports:** Ideal for hauling multiple ATVs, a large UTV, or motorcycles.
 - **General Contractors:** Heavy-duty frame handles lumber, equipment, and materials without breaking a sweat.
