The 7.5' width and 14' length provide plenty of usable cargo space without stepping up to a larger trailer. The 7' interior height and 81" rear door opening make loading taller UTVs, side-by-sides, motorcycles, and equipment easier.

The heavy-duty 2" x 6" tube frame, composite .080" exterior skin, tandem axles, and undercoated frame provide a solid foundation for years of hauling.

Whether you're looking for a UTV trailer, enclosed cargo trailer, motorcycle trailer, equipment trailer, or versatile enclosed trailer, this Formula is ready to go.
