Description

The Tube Top ATV Utility Trailer is a versatile and practical solution designed for transporting ATVs and other recreational vehicles. Featuring innovative side loading ramps, this trailer allows for easy loading and unloading from both sides, making it convenient to maneuver in tight spaces and efficiently load multiple vehicles.

In addition to the side ramps, the trailer is equipped with a rear spring assist ramp gate. This feature reduces strain on your back, making it simple load vehicles with minimal effort. Together, the side loading ramps and spring assist rear gate facilitate quick and efficient loading of multiple ATVs, perfect for group outings or events.
