Description

Big Tex 14LX-14 83x14 Dump Trailer with 4' Sides (14K)

The **Big Tex 14LX-14 83x14 Dump Trailer with 4' Sides** is a high-volume 14K dump trailer built for customers who need substantially more capacity than a standard 24-inch-side dump. With an **83-inch-wide bed**, **14-foot length**, **48-inch solid steel sides**, and approximately **14.3 cubic yards of volume**, this configuration is especially well suited for brush, mulch, demolition debris, roofing material, landscaping waste, and other bulky loads.
This 4-foot-side version carries a **14,000 lb GVWR** with approximately **9,810 lb of payload capacity**. Tandem 7,000 lb premium cambered axles, forward self-adjusting electric brakes on all hubs, and a heavy-duty 6-inch channel frame give the 14LX a strong foundation for commercial work. :chatgpt-content-reference{index="1"}
The **hydraulic scissor hoist** provides power-up, power-down, and gravity-down operation for controlled dumping, while the rear combo gate can be used as traditional barn doors or as a spreader gate for material placement. The factory tarp system, rear stabilizer stands, and 6.5-foot slide-in equipment ramps make this trailer useful for both material hauling and equipment transport. ?cite?turn862653search0?turn862653search27?

Key Features:

- **83" x 14' dump bed**
- **4' tall solid steel sides**
- **Approx. 14.3 cubic yards of volume with 4' sides**
- **14,000 lb GVWR**
- **Approx. 4,190 lb empty weight**

- **Approx. 9,810 lb payload capacity**
- **Tandem 7,000 lb premium cambered axles**
- **Forward self-adjusting electric brakes on all hubs**
- **6" channel frame and tongue**
- **3" channel crossmembers on 16" centers**
- **10-gauge smooth steel floor**
- **Self-contained hydraulic scissor hoist**
- **Power up / power down / gravity down hydraulic operation**
- **Rear combo gate with barn-door and spreader functions**
- **6.5' slide-in equipment ramps with integrated ramp door**
- **Rear stabilizer stands for equipment loading**
- **Factory tarp kit with formed tarp shroud and rear tarp rod holders**
- **(4) 1/2" D-rings inside the bed**
- **Stake pockets along both sides**
- **Rear J-hooks for cargo control**
- **Lockable front pump and battery box**
- **12V deep-cycle battery**
- **5A 110V onboard battery charger**
- **7,000 lb top-wind drop-leg jack**
- **Adjustable 2-5/16" coupler**
- **ST235/80R16 Load Range E 10-ply radial tires**
- **Recessed LED lighting**
- **3 Year Limited Warranty**

The **Big Tex 14LX-14 with 4' sides** is a particularly strong fit for landscapers, roofing crews, contractors, farms, and property-maintenance companies that regularly haul bulky material. It combines the volume of a much larger dump box with the equipment-loading capability of ramps, D-rings, and rear stabilizers—all in a familiar 14K bumper-pull package.

Features

- Doors, Windows & Ramps
    - Slide In Ramps
    - Split Rear Doors
- Exterior Features
    - D-Ring Installed
    - Diamond Plate Fenders
    - Powder Coated Paint
