Price: \$7,695.00

Description

The Reliability You Need: 2026 Haulmark Passport Deluxe 7x16 Tandem Axle (7K)

When you step up to a 7-wide tandem axle, you're usually looking for two things: more space and more stability. The 2027 Haulmark Passport Deluxe delivers both without the "premium brand" price tag that usually comes with a tandem. This isn't just a basic enclosed box—it is a reinforced, high-performance hauler designed to look as good as it works.

Built to a Higher Standard

Many economy trailers cut costs by spacing their frames further apart. Haulmark takes the opposite approach, reinforcing the skeleton where it counts:

- **16" On-Center Construction:** Both the floor crossmembers and the vertical tube wall posts are set at 16" OC. This tighter spacing creates a more rigid frame that resists flexing and handles heavy cargo without sagging.
 - **.080 ACP Polycore Exterior Panels!**
 - **PlexCore High-Performance Decking:** Forget standard plywood that swells and delaminates. The 3/4" PlexCore floor is engineered to resist moisture and heavy foot traffic, maintaining its structural integrity for years.
 - **Tube Main Rails:** The tandem axle model is built on 2" x 4" tube main rails, providing a much sturdier foundation than the lightweight C-channel used by competitors.
 - **One-Piece Aluminum Roof:** Eliminating seams on the roof is the #1 way to prevent leaks. This trailer comes standard with a seamless aluminum roof to keep your cargo dry in any weather.
-

Specifications & Technical Data

Model PP716T2-D (Passport Deluxe)

Dimensions 7' x 16'

GVWR 7,000 lbs

Payload Capacity 4,605 lbs

Interior Height 7' (84") - Great For UTV, Side by Sides, Golf Carts, ect.

Professional Features Included

- **E-Z Lube® Hubs:** Simplifies maintenance so you can spend more time working and less time in the shop.
- **Flow-Thru Sidewall Vents:** Provides constant airflow to reduce heat and prevent the buildup of fumes or moisture.
- **Full LED Lighting:** Includes 12v LED Slim Line tail lights and a dome light for maximum visibility and safety.
- **Undercoated Chassis:** The entire chassis is undercoated to defend against road salt and moisture, protecting the steel from the ground up.
- **Side Door Security:** Features a 32" flush lock door with an added deadbolt for extra peace of mind at the job site or hotel.

Why Choose the Passport Deluxe?

If you want the best ROI on a 7x16, the Passport Deluxe is the "sweet spot." It offers the 16" OC framing and PlexCore flooring found in high-end commercial trailers, but keeps the price point competitive.
