ALL NEW ALUMINUM RAMPS: Now standard on our 83" wide dump trailers.

The industry best DTB sits atop of a dual layer of **6" I-beam weighing** in at 12 pounds per ft. main frame construction.

Side Armor system. This upgraded design keeps our 24-inch, 10-gauge original sidewall, featuring an oversized break that prevents bowing,

Corner reinforcements have been strengthened, offering additional welding area to reinforce the dump box.

Corrosion resistant tarp sail rod and crank handle hardware has also been incorporated.

Each Iron Bull 83 wide dump comes equipped standard with an industry best 7 gauge floor and 24" high 10 gauge sides with 7 machined breaks that will not bend, bow, or buckle, even under the most demanding conditions. One of the most unique features on the Ironbull DTB is the structure under the bed. These full length bed runners ensure your floor is never warped across the crossmembers by any heavy tracked equipment you might haul. We have also equipped 10k jacks and a side step for easy bed access. A three way gate will ensure maximum flexibility for transport and dumping.

Each Ironbull Trailer also comes equipped with a standard tarp kit, spare tire mount, jack stand brackets, stake pockets, locking pump box, 5 position adjustable coupler, and 5 AMP 110v wall outlet charging receptacle for your battery.

We back all of this up with our industry-best IronClad warranty which covers every unit with a three year structural, two year component warranty and two years free roadside assistance.
