Bring your low-profile equipment hauling to new heights with the 14OT Heavy Duty Over-the-Axle Tilt Bed Equipment Trailer. It's unlike any of our other trailers, highlighted by a scissor-style hydraulic hoist that offers stability, energy efficiency, and less maintenance than other systems. With a rear knife edge, a full 96"-wide tilt platform, and a winch mount plate at the front of the platform, you can take your productivity into overdrive with this over-the-axle workhorse.
