Description

This 2027 Homesteader Intrepid 5' x 8' enclosed cargo trailer in Silver is a compact, easy-to-tow option for hauling smaller equipment, tools, or gear. A rear ramp door provides a simple drive-on or wheel-up loading approach, and 6' of interior height means most people can stand up fully inside. Flow-thru vents keep air circulating in the cargo area, and the one-piece roof helps keep everything inside dry. 15" wheels and tires and a 2" coupler round out a straightforward, no-frills build. With a 2,990 lb GVWR and 2,007 lbs of payload capacity, this Homesteader Intrepid cargo trailer is priced at \$4,499.
