Description

This 2027 Homesteader Intrepid 6' x 10' cargo trailer in White is set up with rear swing doors that open to a 5'2" opening, plus a separate side door for quick access without swinging the rear doors wide. 3/8" walls, a one-piece roof, and leaf spring suspension keep the build simple and dependable, and the V-nose front trims wind drag while adding front cargo space. Inside, 6'6" of interior height and 5'8" of width give you plenty of room to load standing up, and recessed D-rings keep cargo secured in transit. The 3/4" floor, 15" wheels and tires, 4-pin plug, and LED lighting round out a trailer that's ready to go to work. With a 2,990 lb GVWR and 1,444 lbs of payload capacity, this Homesteader Intrepid is priced at \$4,799.
