Key Benefits
20? Rigged Panels
Provides added strength and durability for hauling heavy loads, ensuring the trailer can handle tough materials without compromising structure.
Ramps (Stored Underneath Bed) (Standard on 10K Models)
Convenient under-bed storage for ramps keeps them secure and out of the way, while always being accessible for easy equipment loading.
Combo Barn Door Spreader Gate with Cambar
This versatile gate design allows for controlled dumping or full access for easier unloading, giving users flexibility for various applications.
(5) 1/2? D-Rings
Securely tie down your cargo with these heavy-duty anchor points, providing extra stability and safety during transport.
Stake Pockets
Offers flexibility for adding side extensions, increasing the trailer’s versatility and capacity for different types of loads.
Integrated Tarp Mount
Easily add a tarp kit to keep your load secure.
Tongue Mounted HD Control Box with Key Lock
Safely store and control the trailer’s hydraulic system with a lockable control box for added security and ease of use.
