Price: \$10,980.00

Description

2026 Timpte 1020 Aluminum Beavertail Car Hauler 10K

9,999 lb GVWR | All-Aluminum Construction | 20' Deck | 7' Wide Deck | 60" Ramps
Timpte's Ramped Flat Deck equipment trailer is designed as a lightweight, multi-purpose hauling solution for a wide range of equipment and utility applications. Built with all-aluminum construction, the trailer combines a 20' deck, low 25" deck height, 82.5" usable deck width, and removable ramps for straightforward loading and unloading. Rather than relying on welded aluminum joints, Timpte uses proprietary extruded aluminum components with mechanically fastened connections. This construction method is designed to provide a rugged, durable trailer while maintaining the weight advantages of aluminum.

Key Specifications

- **Trailer Type:** Ramped Flat Deck Equipment Trailer
- **Electrical Plug:** 7-round
- **Construction:** Lightweight all-aluminum trailer construction
- **Coupler:** 2-5/16" coupler
- **Electrical Connection:** 7-round trailer plug
- **GVWR:** 10,000 lbs
- **Payload Capacity:** 7,960 lbs
- **Trailer Weight:** 2,040 lbs

Deck, Frame & Construction

- **Frame Design:** Proprietary extruded aluminum components
- **Joint Construction:** Mechanically fastened joints rather than welded aluminum joints
- **Deck:** 20' flat equipment deck

Loading & Ramp System

- **Ramps:** Two 17" wide x 60" long loading ramps
- **Ramp Retention:** Slotted rear groove helps secure ramps during loading and unloading
- **Ramp Storage:** Ramps store beneath the deck
- **Ramp Safety:** Stored ramps are retained with a safety pin

Additional Features

- Compact tractors
- Landscaping equipment
- Utility equipment
- Small construction equipment
- ATVs and UTVs
- Mowers
- General equipment and material hauling

Dimensions & Weight Ratings

- **Overall Width:** 102" / 8.5'
- **Overall Length:** 302" / approximately 25' 2"
- **Deck Width:** 83"
- **Usable Deck Width:** 82.5"
- **Deck Length:** 240" / 20'
- **Deck Height:** 25"
- **Coupler Height:** 17"
- **Coupler Size:** 2-5/16"
- **Ramp Size:** 17" wide x 60" long

Loading & Fitment

Confirm the actual cargo dimensions, loaded weight, loading-equipment ratings and securement requirements against the trailer's documented specifications before hauling. Verify that the tow vehicle, hitch and electrical connection are compatible.
