Description

The Hilltip IceStriker™ 45-100 is a 12V electric salt and sand spreader designed for installation on pickup tailgates, vans, utility vehicles, tractors, loaders and forklifts. Polymer hopper and mounted parts in stainless steel (bolts, bearings, etc.) make it the most cost-effective spreader on the market.
The spreader is operated wirelessly (Bluetooth) through the next generation control system: Hilltip StrikeSmart™ App. Android smart phone is included.

STANDARD FEATURES:

HTrack™ 2-way online tracking & control system
Automatic GPS speed control adjusts the amount of spreading material (lbs/1000 sq ft) according to your vehicle speed
The spreader is operated wirelessly (Bluetooth) through the next generation control system: Hilltip StrikeSmart™ App (smartphone included)
Independently controlled dual motors for the auger and spinner
Feed mechanism: 2.5’’ stainless steel auger
Storage transport wheels
Mounting solutions for a variety of vehicles and machines

OPTIONAL FEATURES:

Vibrator (for wet salt, gravel, salt and sand mix)
LED Stop/ Tail/Brake lights
LED work light
Salt Stop kit for dry/ fine salt
Smartphone controller holder
Window/flat surface mount adapter
Hardwired StrikeSmart™ CAN-BUS Control with automatic GPS speed control

Options on this Unit:

- Vibrator
- LED Work Light
- 2" Receiver Tube Mount
