Price: \$8,795.00

Description

The Sure-Trac® 14K Tube Top Utility Trailer is a professional-grade, heavy-duty utility trailer designed to do the work of two trailers. Built for landscapers and contractors who need to haul a wide range of equipment, this versatile design combines the open-deck functionality of a landscape trailer with the 14,000 lb. GVWR typically reserved for equipment trailers. When you need to drop off mowers at one site and then haul a skid steer to another, this hybrid solution eliminates the need to switch trailers throughout the day. It's the smart choice for professionals whose work demands a flatbed utility trailer that delivers high-capacity performance without compromise.
