Description

Built for durability, lightweight towing, and everyday versatility, the Formula Traverse KF-DXA8416-070 is a 7' x 16' aluminum enclosed cargo trailer featuring a tandem-axle 7,000 lb GVWR design. The aluminum construction helps resist corrosion while reducing trailer weight, giving owners more usable payload and easier towing. Its aerodynamic V-nose design, full LED lighting, seamless aluminum roof, and spacious enclosed cargo area make it an excellent solution for contractors, powersports enthusiasts, mobile businesses, and general cargo hauling. Designed to protect your equipment from the elements while delivering long-term reliability, the Traverse offers premium value in a lightweight enclosed trailer package.
