Description

Pace American 8.5' x 20' Outback DLX Enclosed Cargo Trailer
Built for versatility, durability, and a clean professional appearance, this Pace American 8.5' x 20' Outback DLX is ready for work, recreation, or vehicle and equipment hauling. Finished in Composite White, this enclosed trailer features a flat-top V-nose design, tandem 5,200 lb axles, and a spacious 84" interior height.
The rear ramp door with a 16" extension provides a smoother loading transition for vehicles, motorcycles, UTVs, and equipment. An additional ramp-door grab handle makes operation easier, while the rear flare with two LED loading lights provides added visibility when loading after dark.
Inside, the trailer features a durable 3/4" high-performance floor along with four floor-mounted D-rings for securing cargo. A 12" extended tongue, adjustable 2-5/16" coupler, and set-back tongue jack provide a practical towing setup, while aluminum wheels with black accents complete the premium exterior look.
