Description

Nova ET Series Equipment Trailer

The Nova ET Series Equipment Trailer from Midsota is a rugged, reliable flatbed trailer built to handle heavy-duty equipment hauling. Designed for versatility, durability, and smooth transport of vehicles or machinery, this trailer ensures exceptional performance even under demanding conditions, making every haul safer and easier.

You need a trailer that can handle the demands of your work and adventures. Midsota trailers are built for long-term performance, giving you the confidence to haul whatever, wherever.

Key Benefits

21" x 5" Spring Assist Stand Up Ramps

Easy loading and unloading, saving time and effort.Treated Wood Decking

Protects the trailer bed, ensuring durability and resistance to weather.Slipper Spring Suspension

Smooths out rough roads for secure hauling and reduced wear on equipment.Industrial Grade Polymer Finish

Guards against rust and corrosion, maintaining your trailer's appearance for years.

Why Choose a Nova ET Series Equipment Trailer?

Overview

The Nova ET Series Equipment Trailer is engineered by Midsota for professionals who demand a dependable flatbed trailer. Known for exceptional quality, this equipment trailer provides strength, stability, and ease of use. Ideal for transporting vehicles, machinery, and other heavy loads, the ET Series simplifies complex hauling tasks.Available Models

The Nova ET Series Equipment Trailer comes in three versatile sizes, each featuring an 82-inch width to accommodate various hauling needs. Choose from 18-foot, 20-foot, and 22-foot models, each rated with a robust GVWR of 15,400 pounds, providing the flexibility and strength required for any job.Standard Features

The ET Series comes equipped with a set of reliable features built for demanding conditions. Self-adjusting electric brakes ensure responsive stopping power, enhancing safety on the road. The 16-inch E Range 10 Ply Tires (235/80R16) offer superior durability, while Grade 50, 3-inch channel crossmembers placed every 16 inches provide structural integrity. For secure cargo management, rub rail and stake pockets are included. Cold Weather 7-way plug (-85°), LED lights for maximum visibility, a sturdy 12K jack, and an adjustable coupler further enhance usability and convenience.Options

Customize your ET Series flatbed trailer with premium options designed to meet specific demands. Protect tools and cargo with a steel toolbox or a bolt-on A-frame toolbox for secure storage. Enhance appearance and reduce weight with aluminum wheels. For simplified loading, add mini wedge ramps, and conveniently mount a spare tire carrier directly in the stake pocket for peace of mind during every haul.
