Description

Pace American 8.5' x 24' Outback DLX Enclosed Cargo Trailer
Get the space and versatility you need with this Pace American 8.5' x 24' Outback DLX enclosed cargo trailer. Featuring a flat-top V-nose design and a sharp Composite White exterior, this trailer is well equipped for hauling vehicles, UTVs, motorcycles, equipment, tools, and other cargo.
The tandem 5,200 lb drop axles with electric brakes provide dependable towing performance, while the trailer carries a 10,000 lb GVWR. With an 84" interior height and 3/4" high-performance flooring, the spacious 24' cargo area is designed to handle demanding work and recreational use.
Loading is made easier with a rear ramp door and 16" ramp extension, providing a smoother transition for low-clearance vehicles and equipment. An extra ramp-door grab handle adds convenience, while four floor-mounted D-rings give you secure points for tying down your load. A rear flare with two LED loading lights helps illuminate the loading area when working after dark.
Features include:
8.5' x 24' enclosed cargo trailer
Flat-top V-nose design
Composite White exterior
10,000 lb GVWR
Tandem 5,200 lb drop axles
Electric brakes
84" interior height
