Description

Pace American 6' x 12' Outback DLX Enclosed Cargo Trailer
Compact, versatile, and built for dependable everyday hauling, this Pace American 6' x 12' Outback DLX enclosed cargo trailer is a great choice for transporting motorcycles, ATVs, lawn equipment, tools, and general cargo. The flat-top sloped V-nose design and clean .030 White aluminum exterior provide a sharp, professional appearance.
This trailer rides on a 3,500 lb idler axle with 205/75R15 radial tires and aluminum wheels. The upgraded 78" interior height provides extra headroom and additional clearance for taller equipment and cargo, while the durable 3/4" flooring creates a solid foundation for everyday use.
A rear ramp door with a 12" ramp extension makes loading and unloading wheeled equipment easier by providing a smoother transition into the trailer. The rear flare adds a finished look, while the 2,000 lb top-wind tongue jack makes hooking up and unhooking convenient.
