Specs

The Yanmar YM225 is a 23.2 HP compact tractor crafted for versatile performance on properties ranging from 25 to 45 acres. Its synchronized reverse transmission (SRT), selectable 2WD/4WD, and Category 1 3-point hitch provide accurate, dependable control for mowing, loader work, landscaping, and general property maintenance.
Versatile Performance for Your Land
With 1,500 lbs of lift capacity at the pivot pin, 18.5 PTO horsepower, and a compact yet robust frame, the YM225 combines maneuverability with reliable performance for small- to mid-sized property owners.
