? Great for Car & Equipment Hauling

The Buckshot 20' x 102" gooseneck provides a wide, heavy-duty deck that makes it an excellent choice for car hauling, equipment hauling, farm use, construction, landscaping, and general heavy-duty hauling.

The 102" width and drive-over diamond plate fenders provide additional usable deck space, making this trailer especially useful when hauling wider equipment or vehicles.

The included slide-in ramps make loading vehicles and equipment convenient, while the 15,400-lb. GVWR and 11,364-lb. payload capacity provide substantial hauling capability.

? Built for Contractors, Farmers & Equipment Owners

Whether you're hauling a car, pickup, skid steer, tractor, mini excavator, or construction equipment, this Buckshot is designed for demanding hauling applications.

The engineered I-beam gooseneck, dual heavy-duty jacks, 7K axles, treated lumber floor, lockable toolbox, and drive-over fenders give this trailer the features needed for serious work.
