Sales Price: $8,995.00

Description

The Panther is a contractor grade trailer designed for every day use. It has a under coated frame with bed liner sprayed tongue, door and wheel boxes. It is constructed with 16" on center side wall studs. The poly core siding is glued to provide a smooth surface for decals and easy cleaning and the inside is covered with 3/8 plywood for durability.
The roof is 1pc and constructed with 16" on center roof bows. The floor also has crossmembers at 16" on center covered by 3/4" Stable Edge water resistant flooring. The 3500# axle is equipped with easy lube hubs and radial tires. Full led lighting including a entry door light. The trailer jack is conveniently set back on the frame to allow the tail gate or hatch of the tow vehicle to open while its attached. The ramp door has a generously sized opening 6'6" high x 6'6" wide allowing UTV's as well as other equipment easy access.
This trailer features: 6" added height Panther pkg. 4- floor d-rings, side wall venting, 12v outside light by side door, ceiling liner above roof bows, set back jack.
