Price: $6,800.00

Description

This 2027 Triple R 7x14 tandem-axle enclosed trailer is a versatile setup built for contractors, landscapers, mobile businesses, powersports owners, and anyone needing a dependable enclosed trailer with extra height and room to work.
The 7'2" interior height gives you more usable vertical space than a standard-height trailer (with an opening height of 81.5") , while the 60" extended triple-tube tongue, 6" frame, tandem 3,500-lb axles, and electric brakes on both axles give it a solid foundation for regular hauling. The rear ramp door makes loading equipment simple, and the recessed D-rings help keep cargo secured inside.
This particular setup also adds a more finished, premium look with the charcoal gray .080 PolyCor exterior, blackout package, rear spoiler with loading lights, aerodynamic V-nose, extra clearance lighting, and slanted taillights.
Available now at VistaTrailers LLC in Oakland, TN, with NATIONWIDE DELIVERY available.
