Description

Pace American 7' x 16' Journey SE Enclosed Cargo Trailer
Built with a sharp appearance and upgraded for serious use, this Pace American 7' x 16' Journey SE enclosed cargo trailer is an excellent setup for hauling motorcycles, ATVs, UTVs, lawn equipment, tools, and other valuable cargo. The Composite Blue screwless exterior paired with the Black Trim Package and aluminum wheels with black accents gives this trailer a premium, standout look.
The trailer rides on tandem 3,500 lb drop axles with electric brakes and carries a 7,000 lb GVWR. Inside, the upgraded 84" interior height, 16" on-center wall posts, and 3/4" high-performance floor provide a durable and spacious cargo area.
This build is especially well equipped for equipment and powersports hauling. The floor is protected with a durable BattleCoat liner complemented by 12" Nickel Plate, while four floor-mounted D-rings provide secure tie-down points. The rear ramp door features a 16" ramp extension for a smoother loading angle, and fold-down stabilizer jacks provide additional support while loading and unloading.
