Description

6x12 3K w/ 1ft. Mesh

With 1-foot mesh sides and a 3,000 lb GVWR, this 6x12 trailer provides dependable space and containment for hauling tools, waste, or garden materials.

Trailers with 1ft. Mesh

Features durable 1-foot mesh sides on a reinforced steel frame for superior cargo containment and long-lasting performance. Perfect for landscaping professionals, contractors, and property managers hauling brush, debris, mulch, loose materials, and other bulk loads. This rugged utility trailer offers easy loading, excellent visibility, and secure transport for demanding jobs. Built to withstand tough conditions while providing reliable service season after season.

Premium Style

Our Premium Style trailers offer added strength, durability, and a cleaner look. Tubing construction is ideal for heavier loads, frequent use, or customers who want a longer-lasting investment.
